Employer Spotlight:
The Missile Defense Agency (MDA) is a research, development, and acquisition agency within the Department of Defense. Our workforce includes government civilians, military service members, and contractor personnel in multiple locations across the United States. We are focused on retaining and recruiting a dedicated workforce interested in supporting our national security. To search career opportunities at MDA visit: http://www.mda.mil/careers/index.html

The Truth When Applying for Government Positions
Applying for a government job can be exhausting. The application itself can steer you away from even considering to apply. Take these tips into consideration when looking for a government job to help ease the stress:

- Acquaint yourself with the landscape—identify a good fit.
- Look for openings on the right sites.
- Engage your network.
- Reformat your resume.
- Be patient
