You can now access job postings, post your resume, apply for open positions, connect with employers, and learn about career services events from this one convenient tool. This resource is only open to Calhoun students and alumni. Check it out today: www.calhoun.edu/hirecalhoun.

Employer Spotlight: Huntsville Hospital Health System

Huntsville Hospital, the second largest hospital in Alabama, is a 941-bed hospital that serves as the regional referral center for north Alabama and southern Tennessee. In recent years, the hospital has expanded its service throughout the region with the development of Huntsville Hospital Health System, making it the third largest publicly owned hospital system in the nation with more than 1,800 beds and 12,000 employees. Visit their website for more opportunities: http://www.huntsvillehospital.org/careers
