What Is an Informational Interview?
An informational interview is an informal conversation with someone working in an area that interests you. The six steps to a successful informational interview include:
1. Research Career Field
2. Identify People to Interview
3. Prepare for the Interview
4. Initiate Contact
5. Conduct Informational Interview
6. Follow Up

Why are informational interviewing skills important? Here are the details: https://career.berkeley.edu/Info/InfoInterview
