

## WORKFORCE TESTING SERVICES

### Mission

The Testing Center mission is to provide workforce training and assessment upon demand as requested by employers. The Academic Testing Center is designed to provide an environment conducive to testing and provide students with a designated period of time that testing is available.

### Our Commitment

We are dedicated to providing information and proctoring services to facilitate an individual's educational and professional goals by:

- Providing a state-of-the-art facility in our recently renovated Testing Center with new computers, equipment, and furnishings.
- Adhering to the regulations and guidelines established by the National College Testing Association (NCTA).
- Maintaining highest compliance with institutional, state, and federal regulations regarding confidentiality of client information and records.
- Offering collaborative and courteous service to students, faculty, staff, and community.

- Kiosk Registration System
- Online Payment Available
- 50+ Computers Available at Either Location
- Pencil & Paper Testing Available
- Some Off-Site Exams Are Available
