INTRODUCTION

“Live by the creed that a strong work ethic, playing by the rules, and doing things the right way will bring about opportunities for success and ultimately, happiness.”

Nick Saban

Welcome to the Calhoun Community College family. Our staff thanks you for joining our Calhoun Athletic teams. The Calhoun collegiate experience is anchored with an athletic legacy and a rich tradition of quality education.

LETTER from the PRESIDENT
Dear Student-Athlete:
Welcome to Community College and thank you for choosing us to continue your education. At CCC, we want to create an environment where you can develop your athletic talents as well as your academic talents. We strive to make sure our athletic program provides you with the opportunity to excel on the field while you make new friends, fond memories, and gain an excellent education.

As you know, we all are dealing with some unusual circumstances right now with the pandemic. The athletic director and coaches are preparing the safest environment they can for you to be sure you stay well and safe. The Alabama Junior College Athletic Association and the College are working to provide opportunities for competitions and, at the same time, taking precautions to limit the spread of COVID-19. We greatly appreciate your help with this effort!

Calhoun’s vision of “success for every student” is one that we take very seriously. Please take advantage of the Student Services resources designed to help you be a successful student.

Best wishes for a successful and productive school year!
Go Warhaws!

Sincerely,
Interim President

LETTER from the VICE-PRESIDENT of STUDENT SERVICES
Dear Student-Athlete:
Is it my pleasure to welcome you to Calhoun Community College. Calhoun has a rich tradition of academic excellence and outstanding athletic performance. Your status as a student-athlete affords you the unique opportunity to excel, both in the classroom and on the field of play. I encourage you to take full advantage of available support services such as advising and tutoring to assist you in reaching your academic goals this year. Finally, feel free to contact me if I can be of assistance.

Sincerely,
Dr. Patricia Wilson
Vice President of Student Services
STUDENT RECORDS and TRANSCRIPTS

The Family Educational Rights and Privacy Act of 1974 (FERPA) sets the requirements pertaining to the privacy of student records. Calhoun Community College will follow the guidelines as outlined on pages 11-12 of the College Catalog.

DUE PROCESS for STUDENT ATHLETES

Student athletes are guaranteed procedural due process in all cases involving formal discipline charges. The Vice President of Student Services, in her role of student advocate, will attempt to deal informally with discipline problems prior to the filing of formal charges. Emphasis, either informally or with a formal charge, will be placed upon achieving a satisfying resolution rather than on seeking to emphasize guilt and punishment. In the event resolution of the conflict cannot be informally mediated by the coach, the Athletic Director, or the Vice President of Student Services, formal proceedings will follow as outlined in the College Catalog.

COUNSELING and ADVISING

Gina Loosier, academic athletic advisor, will be available to advise student athletes as to which classes should be taken each semester. Athletes must meet with Mrs. Mould prior to registration each semester.

In addition, the Career Services staff provides assistance to student athletes and prospective student athletes in making educational, personal, and career choices. Career planning and job placement opportunities are available to all student athletes enrolled at Calhoun Community College. Computerized and printed information is available on salaries, employment opportunities, and educational requirements for hundreds of different careers as well as interest inventories, information on job search skills, and job placement. Student athletes wishing to take advantage of this service should make an appointment in the Career Services office, located in building #4 on the Decatur campus, (256) 306-2602.

STUDENT ATHLETE RIGHTS

Each student athlete may be requested by each coach to complete an athletic information form. This form provides information for the coach, athletic secretary, and public relations office. It provides important information in the preparation of brochures and news releases. It is important that the student athlete read and sign the form on the back page. Due to the Privacy Act (which deals with the releasing of confidential information about students), it is required that a signed copy of the form be on file before any information may be released on an individual athlete.

EQUITY in ATHLETICS DISCLOSURE ACT

The Equity in Athletics Disclosure Act (EADA) requires co-educational institutions of higher education to prepare annually – and make available to students, potential students and the public – a report on participation rates, financial support, and other information on men’s and women’s intercollegiate athletic programs. This information is on file in the Vice President of Student Services office.

“No matter how good you get, you can always get better and that’s the exciting part. The greatest thing about tomorrow is I will be better than I am today.”

— Tiger Woods

“Nine-tenths of discipline is having the patience to do things right.”

— Pat Summitt

ATHLETIC SCHOLARSHIP BOOKS

1. Pick up your schedule and books from the bookstore at the assigned date/time. Student athletes must have picture ID and a copy of their schedule.

2. During finals week, return ALL books to the athletic office. Return all unopened/unused codes. You must return books prior to departing campus for the semester break.

IF YOU FAIL TO RETURN ALL BOOKS, THE ATHLETE MUST PAY FOR ALL BOOKS THAT ARE NOT RETURNED.

IF A STUDENT WITHDRAWS FROM A CLASS, THE BOOK MUST BE RETURNED TO THE BOOKSTORE IMMEDIATELY.

If you fail to follow all textbook procedures, you may be required to pay for your books and a transcript hold will be placed on your account.

The placement test is administered at the Decatur and Huntsville campuses by appointment. Call 306-2648 (Decatur), or 890-4770 (Huntsville), to schedule an appointment or you may register online at www.calhoun.edu/advising.

SELECTIVE SERVICE

Act No. 91-584 passed by the Alabama Legislature requires that males 18-26 must register with the Selective Service before they may enroll with any state educational institution.

PARKING and TRAFFIC REGULATIONS

Student athletes who are enrolled at Calhoun Community College are required to affix a parking pass to the rear view mirror of their automobile or where visible on motorcycles, regardless of location. Athletes will receive the decals at the initial athletic meeting or you may obtain your decal in the Chasteen Student Center.

GRADUATION

Calhoun Community College awards the Associate in Arts, the Associate in Science, and the Associate in Applied Science degrees, and certificates for non-degree programs.

Apply by October 15 of your sophomore year. All athletes are expected to graduate with a degree upon completion of their eligibility. Instruction on how to apply for graduation are available at calhoun.edu/graduation. Students who are awarded a degree or certificate will receive a printed document for each credential earned, free of charge. Students participating in the graduation ceremony are required to purchase the graduation packet (cap, gown, diploma cover, etc.) from the bookstore for approximately $50.
FINANCIAL AID

All athletic scholarship recipients must apply for Financial Aid.* Student athletes should communicate with personnel in the Office of Student Financial Services. Additional information may be found in the College Catalog. Other financial aid programs available at Calhoun Community College include the following:

1. Pell Grants
2. Federal Supplemental Education Opportunity Grants (FSEOG)
3. Federal Work-Study
4. Federal Direct Student Loan
5. Alabama Student Assistance Grants (ASAG)
6. Scholarships
   a. Academic
   b. Senior Adult Program Scholarship
   c. Calhoun Foundation
   d. Fine Arts
   e. Student Activity and Leadership
7. Veterans, Service members, and Their Dependents' Benefits
8. Workforce Investment Act (WIA)

Calhoun students are not allowed to receive additional Calhoun scholarships combined with an athletic scholarship. Athletes may receive FSEOG or Work-Study in addition to an athletic scholarship. If a student athlete receives additional scholarships from an outside agency that cover tuition, a refund check will be mailed to the student's permanent address after the 4th week of the semester.

ATHLETIC SCHOLARSHIPS

* All student athletes are required to complete a Free Application for Federal Student Aid (FAFSA) each year.

GRANTS-IN-AID

Athletic scholarships and manager scholarships will cover the cost of books, tuition, and fees for a maximum of 73 semester hours, not including remedial classes or team activity classes. Physical education courses corresponding to the athlete's intercollegiate team will be allowed in addition to the 73 hours. The Athletic Scholarship will provide for six credit hours during summer school as not to exceed the yearly semester hour limit. Student athletes will be allowed one (1) online course during the summer term. The annual 35 semester hour limit will be adjusted to meet the 73 two-year limit. If an athlete withdraws from a class, he/she will be required to pay for the course in the future. The athletic scholarship will pay to repeat a class one time if the student fails the course. Returning third-year sophomores (2020-2021) will receive the same scholarship aid as in 2019-2020.

The estimated value of an athletic scholarship each year is $11,000 for in-state student-athletes and $15,500 for out-of-state student-athletes. Annual estimates are calculated for Fall, Spring, and Summer terms to include tuition, books, and fees.

Recipients of an athletic scholarship will be asked to sign a Scholarship Agreement Form and a National Letter of Intent (LOI) with an account in the NJCAA Connect System. The LOI will be filed with the National Junior College Athletic Association. In addition, copies will be retained by the College and the scholarship recipient. All athletic scholarship recipients must complete a FAFSA.

Cancellation of an athletic scholarship is permitted:

1. If the athlete becomes ineligible for participation in athletics because of academic and/or disciplinary reasons; (OR)
2. For misconduct (unrelated to athletic ability) found by the person or body in charge of general discipline at the institution, after following the same procedures as in other disciplinary matters, to be serious enough to warrant permanent suspension or dismissal from the athletic program; (OR)
3. Volunteer non-participation.
4. If the athlete elects to not participate on the team, he/she forfeits their athletic or manager scholarship and will be responsible for all current and future tuition, books, and fees immediately.

As part of the scholarship agreement, each scholarship recipient will be issued books and/or online codes from the College Bookstore each semester. It is the student athlete's responsibility to turn in books immediately upon completion of your finals and to pick up books at the assigned time, if applicable. Book codes must be returned with the books if unopened/unused. Failure to do so will result in the athlete having to purchase books for the next semester. These books are on loan; therefore, athletes will be responsible for any charges resulting from damage or loss. Should the athlete fail to return the books, a hold will be placed on the student's account.

Student athletes may be asked to complete an exit evaluation/interview when they leave the Calhoun Athletic Department.
INSURANCE COVERAGE

Calhoun Community College provides accident insurance coverage for student athletes, managers, and student coaches. The accident insurance provides coverage for intercollegiate play, practice, and travel. Insurance coverage is not provided for students participating in a tryout. Any student participating in a tryout will be asked to sign a Release from Liability and Hold Harmless Agreement.

All injuries should be immediately reported to the Head Coach. The coach will speak with the Encore Athletic Trainer to determine if medical treatment is required. All medical evaluations and physical therapy appointments should be scheduled at a convenient time, not to miss class or practice. Contact your coach prior to scheduling an appointment for medical services. The student athlete and coach are required to complete a BMI (Bob McCloskey Insurance) injury report on the day of the injury, prior to the initial doctor's visit. The athlete MUST present the physician's office with the signed injury report and a copy of the Insurance Referral form (see Appendix). A copy of the injury report form will remain in the Athletic Office.

The accident insurance policy provided by the College is secondary coverage and will be implemented in excess of any other coverage you or your parents may have. The athletic insurance is negotiated through the ACCC conference annually. There is a $5,000.00 deductible that must be met prior to Calhoun's insurance being activated. The Calhoun Community College athletic insurance will not cover any co-payments required by the primary insurance until the $5,000 deductible is met. For uninsured student-athletes, BMI will be the primary coverage and will cover intercollegiate play, practice, and travel after the $5,000.00 deductible is met.

The college may assist student-athletes with unpaid medical expense for an injury during a college activity. Students must complete the Uninsured Medical Costs Claim Form in the Appendix and submit all requested documents to Dr. Nancy Keenum. The primary insurance must have been exhausted prior to students requesting assistance. If you have questions, contact Mrs. Carla Larry in the Business Office (256) 306-2540.

Calhoun Community College does not provide health insurance coverage for the student-athlete. Insurance coverage for any health-related illness is the responsibility of the student-athlete.

Each individual who participates in the athletic program at Calhoun Community College must have an insurance information questionnaire and a copy of your personal insurance card on file in the athletic office to receive athletic insurance coverage. All information must be completed and on file prior to the first athletic contest.

If an athlete has an injury during practice or game, the athlete must present a copy of the BMI Injury Claim form (signed by the coach) to the physician or Emergency Room attendant and a copy of their insurance information on the initial visit. The claim form is to be returned to Crystal Higginbotham, the athletic secretary, the following school day.

Calhoun Community College has 90 days to file the injury report with Bob McCloskey Insurance, www.bobmccloskey.com. To complete the insurance claim, the student-athlete must have the BMI Injury Claim form (appendix, page 1), itemized physician/physical therapy/hospital statements, and the primary carrier statement to the Athletic Office. It is imperative all paperwork be completed in a timely manner. Claims will not be processed without all required elements.

PHYSICAL EXAMINATIONS

The National Junior College Athletic Association requires each athlete to have a physical examination before participating in any athletic practice session and/or game. All student athletes and managers must pass a physical examination by the Calhoun physicians prior to the first official practice to be eligible for athletic insurance coverage.

Each individual who participates in the athletic program at Calhoun Community College must complete an athletic health examination record. Student-athletes will receive the required documentation for the physician to complete in the mail. This examination record aids the physicians in performing a complete physical examination. All players and managers must arrange for the medical exam with a physician prior to returning to campus for the Fall semester.

All students will be required to sign a drug test consent form with the ACCC and college, giving the athletic department staff permission to drug test the student at any time. The drug policy is created by the Alabama Community College System. Student-athletes are subject to random drug testing throughout the year. The ACCC Drug Policy is appendix 23-27.
ELIGIBILITY

There are three levels of compliance for all athletes at Calhoun Community College.

1. National Junior College Athletic Association (NJCAA)
2. Alabama Junior & Community College Conference (ACCC)
3. Calhoun Community College

The steps for achieving and maintaining athletic eligibility as mandated by the NJCAA and the ACCC are outlined below under REQUIREMENTS FOR ATHLETIC ELIGIBILITY. Calhoun Community College has established certain eligibility regulations outlined below under ACADEMIC STANDARDS OF PROGRESS.

REQUIREMENTS for ATHLETIC ELIGIBILITY

The following rules shall be used to determine a student's eligibility for athletic competition in any one of the certified sports of the NJCAA.

A. Student-athlete must be making satisfactory progress within an approved college program or course as listed in the college catalog.

B. Student-athletes must be enrolled in full-time status using any combination of sessions within a term, and in classes that begin before the end of the sport season in which the student athlete chooses to participate, within 18 calendar days from the beginning of the term. Student-athletes that do not conform to this rule will be ineligible for the remainder of the term.

C. Student-athletes must maintain enrollment in 12 or more credit hours of college work as listed in the college catalog during each term of athletic participation. Student-athletes who drop below 12 hours are ineligible until full-time status is regained within that term.

D. Student athletes will be enrolled in 15-16 credit hours each semester.

E. First Season Academic Requirement: A first season participant must meet the academic progress eligibility requirement by meeting ALL of the requirements of at least ONE of the following rules or exceptions which apply to the student's situation:
   1. Zero (0) Previous Terms of Full-Time College Enrollment: A student-athlete who is in his/her first full-time college term is deemed to have satisfied the academic progress eligibility requirement for their initial term of full-time enrollment or participation, OR
   2. One Previous Term of Full-Time College Enrollment: On or before the 18th calendar day (not to end on a weekend or Federal Holiday) of the student-athletes second full-time college term must have accumulated 12 credit hours with a GPA of 1.75 or higher, OR

   4. Best Hours Accumulation Rule: On or before the 18th calendar day (not to end on a weekend or a Federal Holiday) of the term the student-athlete wishes to participate in, a student-athlete must have accumulated passing credit hours with an associated GPA of 2.00 or higher in a number equal or greater than the student-athlete’s terms of full-time enrollment multiplied by twelve

   a. 36 total semester hours for a fall season or 48 total semester hours for a spring season, OR
   b. A student-athlete may only use this rule once per sport within the same semester. Once this rule is exhausted, the student-athlete must meet the requirements of to maintain eligibility.

F. Second Season Academic Requirements: Prior to a student-athlete's participation in a second season of a sport he/she must meet the appropriate academic requirements of a first season participant AND
   1. Have accumulated 24 earned/passing semester hours with a GPA of 2.00 or higher, OR

   3. If the student-athlete has been enrolled in two quarter terms or less, the second season requirement becomes 28 quarter hours with a 2.00 GPA or higher.

G. Third year sophomores: the 2020-21 academic year which only applies to graduates. • A student-athlete who was enrolled at a college or university as a full-time student in the spring 2020 term, and graduates at the end of the spring 2020 or fall 2020 term, may participate in the spring 2021 NJCAA sports season while enrolled in a minimum of six (6) credit hours. All six (6) credit hours must begin before the end of the published regular-season schedule of the student athletes chosen sport. The institution must document that the student-athlete has completed all degree requirements, as determined by the institution. This one-time allowance is ONLY for students who were enrolled full-time at a college or university in the spring 2020. Student athletes must not have previously competed in two or more seasons of the desired sport.

H. Due to the Covid-19 suspension of the Spring 2020 season, the NJCAA has made some accommodations for the Fall 2020 semester only for students enrolled in Spring 2020. If spring 2020 was one of the full-time terms the required credit hours are reduced by six (6) credits. Students who were not enrolled as full-time students at a college or university in the Spring 2020 academic term must meet the standard academic progress requirements.

Students not enrolled during the term when the season begins remain ineligible throughout the season schedule unless they enroll on the first possible enrollment date following

1. Their release from Active Armed Services of the United States with a discharge other than dishonorable.
2. Their return from a religious mission.
3. Their graduation from a high school or receipt of an equivalency diploma.
4. Their transfer from an NJCAA member college which dropped a sport after the school year begins.

J. Students must not have previously competed during two (2) seasons in a given sport at any intercollegiate level. For 2020-2021, the NJCAA is allowing a student who was enrolled in Spring 2020 as a sport participant is allowed a third year of eligibility. The student must meet all current eligibility requirements.

K. Students that satisfy one of the five exceptions become eligible after the previous term has ended upon registration as a full-time student for the new term. (Students must be added to the eligibility form before participating.)

I. AMATEURISM
Amateur athletes are those who engage in sports for the physical, mental, or social benefits they derive in participation and to whom athletics is an avocation and not a source for personal financial remuneration. An athlete must maintain amateur status at all times once they reach their 19th birthday or initially enroll as a full-time student in college, whichever comes first. They must maintain their amateur status until their NJCAA eligibility in a sport is exhausted.

J. TRANSFER
A student-athlete who has attended another college may not be immediately eligible for participation at Calhoun Community College. All NJCAA guidelines must be met prior to establishing eligibility. A Transfer Waiver and Release is required for all transfer student athletes.

K. HARDSHIP
A hardship is available for a student-athlete who suffers an injury, illness, or situation which results in the student-athlete’s inability to complete a season and/or did not satisfy one of the eligibility rules. The student-athlete must not have participated in more than 30 percent of the college’s regular season schedule. Hardship applicant must not have participated beyond the mid-point of the allowable sport schedule nor in the postseason. Postseason (regional, district or national tournament) games may not be counted as part of the regular season schedule for the purpose of acquiring a hardship. The injury/illness or situation must be season ending in nature. Entry into an athletic contest of any regular scheduled contest during the collegiate year shall constitute one (1) season of participation.

CLASS ATTENDANCE

Your education comes first, athletics second, and everything else follows in the chain. Regular class attendance is important to gain and demonstrate competency in course concepts and skills. Students are expected to accept responsibility for class attendance and to complete in-class work assignments and examinations as scheduled by the instructor. Some programs require attendance for program accreditation or certification. Students should consult departmental policies or guidelines for details. Student athlete absences for game participation must be kept to a minimum. **THE STUDENT ATHLETE IS RESPONSIBLE FOR CLASS ACTIVITIES MISSED DURING ANY ABSENCE. IT IS THE STUDENT'S RESPONSIBILITY TO CONTACT THE INSTRUCTOR IN REGARD TO MISSED ASSIGNMENTS OR TESTS FOR GAME ABSENCES.**

CALHOUN COMMUNITY COLLEGE ATTENDANCE POLICY

College instructors are required to provide a syllabus to each student enrolled in their course. The syllabus establishes the instructor’s expectations, policies, procedures, course content, course schedule, and other information defining the requirements of the course for the student. Upon receiving the syllabus, students are deemed to be on notice of its contents and are assumed to understand and abide by the expectations, policies, and procedures stated therein. Students who have questions regarding the syllabus should **FIRST consult their instructor and, if necessary, the department chairperson before contacting the dean.** If a student fails to officially withdraw from a course, this could result in a grade of F and adversely impact financial aid.

FINAL EXAMINATION ATTENDANCE

Attendance at final examinations is mandatory. Such examinations are administered in all academic subjects at the end of each semester in accordance with an examination schedule issued by the Dean or designee. Any student who must miss a final examination has the responsibility of notifying his/her instructor to make arrangements to take the final examination on an alternate date, if possible. This is accomplished by filling out a form entitled “Permission to Alter Final Examination Schedule” which may be obtained in divisional/departmental offices. One copy of the form is retained by the faculty member and one copy is retained by the student. Faculty members should not change the published class examination schedule without prior approval from the Dean or designee.

A student-athlete’s eligibility may be jeopardized if a student receives a withdrawal (W) in a course. It is imperative that all student-athletes complete all assignments/tests missed in a timely manner.

WITHDRAWAL POLICY

A student-athlete’s eligibility may be jeopardized if a student receives a withdrawal (W) in a course. It is imperative that all student-athletes complete all assignments/tests missed in a timely manner. Student athletes are not permitted to withdraw from a course without permission from Mrs. Gina Loosier, the athletic academic advisor, AND the team coach. The coach/academic advisor requires written verification/documentation from the instructor if a student-athlete receives permission to withdraw from the course, the student-athlete will be required to complete the course the following semester. **The student-athlete will be required to pay for future classes as a result of the withdrawal.** Gina Loosier will complete the withdrawal process for all student-athletes, once approved by the academic advisor/coach.

CALHOUN CODE OF CONDUCT

An athletic code of conduct has been established in order to inculcate discipline, teamwork, team pride, good sportsmanship, establish leadership, establish a respect for rules and authority, and to eliminate disruptive influences. Academic eligibility and academic standards of progress must be maintained. Failure to maintain eligibility and academic standards will result in the athlete not participating in games or practice as stipulated by the coach and the Athletic Department.

PRACTICE

1. Your attitude in practice is expected to be one of hustle, desire, and respect.
2. Promptness at all practices and team meetings is required. Continued violations may result in dismissal from the team and loss of your scholarship.
3. Managers are an extension of the coach. They are expected to be treated with the same respect as the coaches.
COMPETITION

1. You are representing Calhoun Community College in different communities, cities, and towns. The only impression many of these people will have of Calhoun Community College is the one they form as we pass through their city. Conduct yourself in a way that will bring honor to yourself and this institution.

2. Transportation will be provided for road games. All players and managers will leave on the bus and return on the bus.

3. Arrival and departure times will be determined by the coach. If you are late, you will be left behind.

4. Team travel attire or uniforms will be worn on all trips unless directed by the coach. Student athletes may be asked to wear dress clothes on occasion.

ATHLETIC INSURANCE INSTRUCTIONS

The Alabama Community College Conference maintains a sports accident insurance policy for all covered athletic injuries. This policy is in excess to any other valid and collectible insurance – it is a secondary policy and all claims must be submitted to the athlete’s primary insurance first. Please send this with the student-athlete any time medical expense is incurred. This will help decrease the amount of time it takes to adjudicate a claim.

1. An injury report must be submitted (appendix) by Coach;
2. Submit medical charges to any other insurance policy the patient is covered under first (regardless of whether the patient is the primary member or a dependent);
3. Once primary insurance claim is processed, submit the itemized bill and primary carrier statement to the athletic office.

ACCC DRUG EDUCATION and TESTING POLICY, 2020-2021

INTRODUCTION

POLICY OVERVIEW

The following Drug Education and Testing Policy (Policy) has been adopted by the Alabama Community College Conference (ACCC) Board of Members. The ACCC reserves the right to make changes to this Policy as needed, with the approval of the ACCC’s Board of Members. This policy is intended as a minimum ACCC policy and each institution has the right to enhance it via a local College policy and procedure.

PURPOSE AND MISSION

The ACCC believes that random drug testing is appropriate to ensure that the overall purpose and mission of this Policy is accomplished. The overall mission of this Policy is to promote year-round banned substance free environment in the ACCC. With this mission in mind, the following goals have been established. The ACCC desires to:

1. Protect the health, safety, and welfare of our student-athletes;

2. Identify student-athletes who may have concerns and/or concerning behavior surrounding the use, abuse, and/or misuse of alcohol, illicit substances, prescribed medications, and nutritional supplements;

3. Uphold the responsibility of the ACCC member colleges to provide educational programming that will not only inform the student-athletes about issues surrounding the use, abuse, and/or misuse of alcohol, illicit substances, prescribed medication, and nutritional supplements, but also support a positive decision-making process.

4. Promote fair competition in competitive athletics by ensuring and encouraging compliance with applicable rules and regulations regarding drug abuse.

In an effort to ensure the health, welfare, and safety of the student-athlete, the intent of this Policy is to prevent substance abuse and dependence by student-athletes through the following objectives: prevention and education, testing to provide a timely diagnosis, and professional guidance, treatment, and rehabilitation.

PREVENTION AND EDUCATION

Participants who are educated about substance use in sport are more likely to make informed and intelligent decisions about usage. As part of the education component of this Policy, each ACCC member college will:

1. Provide an annual explanation of this Policy to student-athletes, prospective student-athletes, and those associated with athletic teams;

2. Disseminate information regarding alcohol and other drugs, their use and abuse, and effects of such use and abuse to all student-athletes and those associated with athletic teams;

3. Utilize health education programs to educate student-athletes who are cited for an alcohol incident or who test positive for drugs;

4. Conduct a drug and alcohol education program for student-athletes at least twice a year; and

5. Provide student-athletes and potential student-athletes with resources that will enhance their education of drug and alcohol use and abuse, such as:

   a. NCAA website -www.ncaa.org/health-safety;
   b. Dietary Supplement Resource Exchange Center website www.drugfreesport.com

These educational programs will be designed to:

1. Review athletic department, institutional, conference and national governing body policies related to alcohol, tobacco and other drugs;

2. Inform those associated with intercollegiate athletics how to recognize the warning signs and side effects of specific drugs;

3. Educate the student-athlete and other appropriate personnel about the associated problems of drug and alcohol abuse, and how such use may adversely affect the student-athlete and his/her team and teammates;

4. Encourage discussion about the use of drugs, dietary supplements, performance enhancing drugs and consumption of alcohol;

5. Identify rehabilitation programs as well as referral centers; and

6. Distribute educational materials to participants, including a list of banned substances and how drug usage may affect athletic performance.
Failure by a student-athlete to attend these educational sessions shall be considered a decision not to comply with this Policy and will result in the immediate suspension from all Athletic Department activities, conditioning, practices, and competitions.

TESTING TO PROVIDE A TIMELY DIAGNOSIS

CONSENT TO PARTICIPATE

As a condition of participation in intercollegiate athletics in the ACCC, each student-athlete will be required to sign a consent form agreeing to undergo drug testing and authorizing release of test results to the Athletic Director, Head Coach, College President, and ACCC Commissioner in accordance with this Policy. Failure to consent to or, in the case of consenting student-athlete, to comply with all requirements of this Policy will result in athlete being ineligible for participation in sport.

Student-athletes that are under the age of majority in Alabama (18) will be required to have parental or guardian consent to participate in this Policy. Failure of the parent to sign the consent form will result in the student-athlete being ruled ineligible for participation in sport.

PROHIBITED DRUGS/SUBSTANCES

The drug testing process may include analysis of, but not limited to, the NCAA list of banned drug classes. No substance belonging to the prohibited class may be used, regardless of whether it is specifically listed as an example on the NCAA list of banned-drug classes. For an ongoing updated list of the banned-drug list view the NCAA’s website at www.ncaa.org.

Prohibited substances that ACCC schools will screen any sport for include, but are not limited to, marijuana, PCP, opiates, MDMA (Ecstasy), amphetamines, and cocaine. All student-athletes are required to keep their respective athletic director aware of any prescribed drugs and dietary supplements that he or she may be taking.

TYPES OF DRUG TESTING PROCEDURES

The ACCC Drug Education and Testing Policy testing component shall consist of two (2) types of drug testing. Any attempt to circumvent or tamper with drug testing collection process will result in the test being considered a positive test.

1. UNANNOUNCED RANDOM TESTING

All student-athletes who have signed the ACCC drug testing consent form (Appendix A) are subject to unannounced random testing. Testing of the student-athlete will be conducted throughout the year at unannounced random intervals, utilizing an on-site testing device. Individuals conducting drug testing must be certified by a licensed drug testing distributor or lab.

Random individual and/or random team testing will be done at least twice a semester (fall and spring). Each college will test at least ten percent of its total student-athletes at each random testing, and this testing can be conducted outside of the student-athlete’s particular competitive season. For random testing, all student-athletes will be included in a pool of names from which they may be selected by a computerized method of random selection. This selection shall be done by each institution by utilizing random number selection. Each institution shall be responsible for maintaining an updated listing of student-athletes to provide an accurate random selection pool.

The unannounced random drug testing will be conducted on a zero to 24 hour notification basis, meaning that the student-athlete may be provided with zero to no more than 24 hours’ notice of pending drug screen. Once notified, they are required to report for drug testing at the assigned time and place. Failure to report at the assigned time and follow appropriate procedures will result in the sanctions outlined below for a positive test.

2. FOLLOW-UP TESTING

A student-athlete who has returned to participation in intercollegiate sports following a confirmed positive drug test under this policy will be subject to a follow-up test. Any and all costs associated with the assessment and any subsequent treatment or counseling resulting from a positive screen will be the responsibility of the student-athlete. Testing will be unannounced and will be required at a frequency determined by the Athletic Director or his/her designee.

NOTIFICATION AND REPORTING FOR COLLECTIONS

The student-athlete will be notified of and scheduled for testing by the by the Athletic Director. Failure to report at the designated time without justification and/or failure to follow appropriate procedures will result in the sanctions outlined below for a positive test. Student-athletes shall provide picture identification when entering the drug testing station.
SPECIMEN COLLECTION PROCEDURES

All specimens will be collected following the ACCC’s Specimen Collection Procedures, which can be found in Appendix B. Any attempt to circumvent or tamper with the drug testing collection process will result in the test being considered a positive test. The student-athlete that tries to circumvent or tamper with the drug testing collection process will still be required to provide a sample within their three hour time frame. An athlete that leaves the testing room without providing a testable sample will automatically receive a positive test result.

REPORTING RESULTS

All results will be made available to the Athletic Director. The Athletic Director will then notify the Head Coach. The student-athlete may present evidence of any mitigating circumstances that he/she feels may be important to the outcome of the drug test prior to imposition of any intervention or required treatment or counseling program consistent with the appeals process described within the document. If the laboratory reports a specimen as substituted, manipulated or adulterated, the student-athlete will be deemed to have refused to submit to testing and treated as if the test were positive for a banned substance. Any confirmed positive drug test results are to be communicated by the Athletic Director within 24 hours to the College President and ACCC Commissioner. Individual records shall not be released to any other person, other than the student-athlete, without first obtaining a specific written authorization from the student-athlete (Appendix A)

MEDICAL REVIEW OF POSITIVE TEST RESULTS

All specimens identified as positive on the initial test shall be confirmed by the testing laboratory. A Medical Review Officer (MRO), who shall be a licensed physician with knowledge of substance abuse disorders, shall review and interpret positive test results obtained from the testing laboratory. The MRO shall:

1. Examine alternate medical explanations for any positive test results. This action may include conducting a medical interview and review of the student-athlete’s medical history, or review of any other relevant biomedical factors.

2. Review all medical records made available by the tested student-athlete when a confirmed positive test could have resulted from legally prescribed medication. Prior to making a final decision on the results of the confirmed positive test, the MRO shall give the student-athlete an opportunity to discuss the result. The MRO will contact the student-athlete directly to discuss the results of the test or if unsuccessful in contacting the student-athlete directly, the MRO shall contact the designated representative who shall have the student-athlete contact the MRO as soon as possible.

SANCTIONS

A student-athlete who is found to have used of a prohibited substance will be sanctioned according to this Policy.

Member colleges may have rules and sanctions that are more stringent than those outlined in this Policy.

These rules, when applied, shall be recognized and supported. However, at no time, shall a team policy, rule, or sanction minimize the requirements and sanctions of this Policy.

FIRST OFFENSE

1. The Athletic Director will report the confirmed positive drug test finding(s) to the ACCC Commissioner and College President.

2. The Athletic Director or his/her designee will schedule a confidential meeting with the student-athlete and the head coach.

3. The Athletic Director or his/her designee may notify the student-athlete’s parent(s) or legal guardian(s) by telephone and in writing.

4. The student-athlete will be suspended from 25% of all regularly scheduled games and/or dates during the current regular and/or postseason season or the subsequent regular season if the confirmed positive test occurs during the off-season. If the confirmed positive test occurs at such a time that the suspension is not completed by the end of the season in which the test occurred, the suspension from competition will be carried over to the regular season of the next academic year.

5. While serving his/her suspension, the student-athlete will not be allowed to participate in practices and team workouts.

6. The student-athlete will be required to attend an alcohol/drug assessment course scheduled by the Athletic Director or his/her designee. This course will be scheduled for the student-athlete once a positive test is confirmed. This class will be at the expense of the student-athlete. This course must be completed before student-athlete will be allowed to return to competition.

7. A student-athlete must receive a negative follow-up
drug test before he/she will be permitted to return to participation in the athletic program. A student-athlete is financially responsible for this follow-up test.

8. Student-athletes who are suspended for a confirmed positive drug test and successfully complete a substance abuse program will be required to submit to follow-up drug testing for the duration of his/her time while in the athletic program.

SECOND OFFENSE

1. The Athletic Director or his/her designee will report the confirmed positive drug test finding(s) to the ACCC Commissioner and College President.

2. The Athletic Director or his/her designee will schedule a confidential meeting with the student-athlete and head coach to review the confirmed positive drug test results.

3. The Athletic Director or his/her designee will notify the student-athlete's parent(s) or legal guardian(s) by telephone and in writing.

4. The student-athlete will be immediately dismissed from their respective athletic team and will forfeit their athletic scholarship.

PROHIBITION FROM ENROLLING AT OTHER MEMBER COLLEGE

Students who are permanently suspended from an ACCC member college for failing to comply with this Policy will be prohibited from competing at any other ACCC member college until such student is in compliance with the drug policy.

MEDICAL EXCEPTIONS

The ACCC recognizes that some banned substances are used for legitimate medical purposes. Accordingly, the ACCC allows exception to be made for those student-athletes with a documented medical history demonstrating the need for regular use of such a drug. In order to be considered for a medical exception, the student-athlete must present this request to the Athletic Director prior to or at the time of any drug tests.

APPEAL PROCESS

Student-athletes who test positive for a banned substance by the laboratory retained by the college may, within 72 hours following receipt of notice of the laboratory finding, contest the findings. The student-athlete must write (letter, email, etc.) his/her contest with the initial test.

Upon the student-athlete's request for additional testing of the sample, the Athletic Director or his/her designee will formally request the laboratory retained by the college to perform testing on specimen B. The student-athlete may choose to be present at the opening of specimen B at the laboratory. If the student-athlete does not wish to be present at the opening of specimen B, but desires to be represented, arrangements will be made for a surrogate to attend the opening of specimen B. The surrogate will not be involved with any other aspect of the analysis of the specimen. The student-athlete or his/her surrogate will attest to the sample number and the integrity of the security seal prior to the laboratory opening of specimen B. Specimen B findings will be final, and no further appeals may be made.

ALCOHOL POLICY

Student-athletes are required to conduct themselves in accordance with member policies, in addition to federal, state and local laws. To the latter, possession or consumption of alcoholic beverages by individuals under the age of 21 is a violation of state liquor laws (Minor in Possession/MIP). As such, the ACCC views the use of alcohol to be incompatible with the goal of athletic excellence. A student-athlete who is caught on or off campus with any type of alcohol violation (i.e., MIP, DUI/OWI, supplying a minor) will be suspended for 10% of the regular and/or postseason schedule.

ENFORCEMENT OF ACCC DRUG EDUCATION AND TESTING POLICY

The following protocol will be utilized to ensure institutions comply with the ACCC Drug Education and Testing Policy:

NOTIFICATION OF CONIRMED POSITIVE DRUG TEST RESULTS

The ACCC must be notified of all confirmed positive drug test results within 24 hours of member institutions being notified of such results. Colleges failing to notify the ACCC of confirmed positive drug tests will be fined $500 on the first occurrence, and will be ruled ineligible for postseason play in all sports on the second occurrence.

RANDOM AUDITS BY ACCC OFFICIALS

The ACCC will randomly audit 25% of the teams during the athletic year. At the time of the audit, member institutions will have 48 hours to deliver all drug test results to the ACCC Commissioner for review. Institutions will be
deemed in non-compliance if:

1. Drug test results are not submitted within the 48 hour timeframe; or
2. After review of materials submitted, teams are found to not be in compliance with the ACCC's Drug Education and Testing Policy.

**SANCTION FOR NON-COMPLIANCE**

Schools not in compliance with the ACCC's Drug Education and Testing Policy will be fined $500 on the first occurrence and will be ruled ineligible for postseason play in all sports on the second occurrence.

If member institutions have teams that do not qualify in the current year for postseason play, those teams will be ineligible the following year.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19 Participation in Athletics or other Extracurricular Activities

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

**Calhoun Community College** has put in place preventative measures to reduce the spread of COVID-19; however, the College **cannot guarantee** that you will not become infected with COVID-19. Further, **participating in athletics or other extracurricular activities, could increase** your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by participating in athletics or other extracurricular activities and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the College may result from the actions, omissions, or negligence of myself and others, including, but not limited to, College employees, other students, vendors or affiliates and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my participating in athletics or other extracurricular activities (“Claims”). On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless the College the Alabama Community College System, the Alabama Community College System Board of Trustees, the Alabama Community College Conference, and their respective officers, employees, agents, members and representatives (hereinafter “Released Parties”), of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Released Parties, whether a COVID-19 infection occurs before, during, or after participation in athletics or other extracurricular activities.
