

Our Mission / Commitment:

The Testing Center mission is to provide workforce training and assessment upon demand as requested by employers. The Academic Testing Center is designed to provide an environment conducive to testing and provide students with a designated period of time that testing is available.

We are dedicated to providing information and proctoring services to facilitate an individual's educational and professional goals by:

- Providing a state-of-the-art facility in our recently renovated Testing Center with new computers, equipment, and furnishings.
- Adheres to the **National College Testing Association (NCTA) Professional Standards and Guidelines.**
- Maintaining highest compliance with institutional, state, and federal regulations regarding confidentiality of client information and records.
- Offering collaborative and courteous service to students, faculty, staff and community.
