Funds will be used to support a Utility Lineworker Program for women only. Completers will receive a Pre-apprentices Lineworker Program Certificate, TVPPA Climbing Certificate, OSHA 10, CPR, WorkKeys assessment, Highway Flagger certificate, Confined Space Awareness certificate, and a CDL.

Funds will be used to cover the cost of necessary expenses incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19). Funds will be used to purchase two Anatomage Tables for use in the Health Science and Anatomy & Physiology courses. One will be located on the Decatur Campus and the other will be located on the Huntsville Campus.

This 50-hour Medical Administrative Assistant Program prepares students to function effectively in the administrative and clerical positions in the health care industry, which includes Medical Administrative Assistants, Medical Secretary, and Medical Records Clerk.

This project will engage with educational institutions and workforce development organizations in the enhancement of existing programs and the development of new programs. Calhoun will work with ADAMC members and other institutions to assist in identifying and prioritizing programs that could be created or enhanced to support the regional advanced manufacturing needs.

Funds will be used to support the current Plumbing Course at Calhoun Community College as well as add a Plumbing Class at Limestone Correctional Facility.

Funds will be used to purchase two Anatomage Tables for use in the Health Science and Anatomy & Physiology courses. One will be located on the Decatur Campus and the other will be located on the Huntsville Campus.

Funds will primarily be used to defray expenses incurred by the college on or after March 13, 2020 including: Lost revenue, Reimbursement for expenses already incurred, Technology costs associated with a transition to distance education, Faculty and staff trainings.

Funds will be used for expenditures related to technology and infrastructure related to remote instruction and learning.

Funds will be used to provide equipment to strengthen the welding program on the Decatur and Huntsville campuses of Calhoun Community College. The addition of robotic equipment and prioritizing programs that could be created or enhanced to support the regional advanced manufacturing needs.
