## 2022-2023 Federal Student Loan Change/Request Application

Loans are divided into two semesters (ex. Fall and Spring). Check the box to accept the maximum amount or enter a partial amount and check the semesters that you want to apply the loan. Please note that the amount you enter will be divided into two semesters. If you select only one semester, the loan(s) will be disbursed in two installments: 1/2 at the beginning of the semester and 1/2 around the midpoint of the semester.

### Please read carefully:

I understand that this is a loan which must be repaid under the terms specified in the student loan disclosure statement **I understand that I must maintain at least half-time (6-8 credit hours) enrollment during the terms for which the loan is intended.** I understand that I must complete Entrance Counseling and Master Promissory Note (MPN) for undergraduate loans, at [www.studentloans.gov](http://www.studentloans.gov), before I receive my first loan disbursement. I understand that my eligibility for receiving financial aid is contingent upon maintaining Satisfactory Academic Progress (SAP). I understand that this loan will be cancelled and I may have to repay all or part of the amount disbursed when I cease half-time enrollment or fail to maintain SAP. I further understand that if I cease half-time enrollment, graduate, leave school, or transfer, I must contact the school immediately and complete the required Exit Counseling at [www.studentloans.gov](http://www.studentloans.gov).
