

ATTENTION: Students with a GPA of 2.5 or higher, with counselor approval & interest in a healthcare career!

A Certified Nurse Assistant is a great entry-level position in the healthcare profession!

DUAL ENROLLMENT CNA CLASS

NAS 100
EMS 100 (CPR)

INSTRUCTOR: MRS. EMILY LOVELL, BSN, RN, Nurse Aide Trainer

Dual Enrollment CNA can be the first step to becoming an LPN or RN and provide valuable hands-on, clinical experience.

Working as a nursing assistant while a nursing student enhances your education. Being a nurse comes not only from books, but from experience and exposure to the healthcare field. A nurse needs all the skill of a nurse aide and even more. A good CNA has the foundation to make an awesome nurse. It is a great stepping stone into your career as an LPN AND RN.

EARN COLLEGE CREDIT AND TWO CREDENTIALS!

*Students who complete the Dual Enrollment CNA course with a passing grade of **75** are eligible for the state certification exam. Students who successfully complete EMS 100 earn a CPR credential.*

*As a DE CNA completer, you will have completed at least **75** hours of class instruction to include at least **16** hours of clinical time.*
