## JAMIEE FREEMAN

Coach Freeman played at Georgia State University as an outside hitter. She was a starter all four years; played in 115 matches and still holds school records. Freeman ended her career with 1,372 digs, 803 kills, 139 blocks, and 124 service aces. Freeman was CAA player of the week and was a part of the all-rookie team (2009). Freeman led the team in aces and ranked 7th in school history in digs and 10th for attack attempts.

Freeman started her coaching career while in college for Tsunami Volleyball Club in Atlanta, Georgia. Upon graduation Freeman coached under Head Coach Randy Daniel at Wallace State for two years. While at Wallace State, I helped lead two teams to conference championships winning in 2014 and 2015. In 2014 we finished with a 35-10 record going undefeated in the conference. Freeman was also the JV coach for James Clemens High School (2015-2018) having an overall record of 40-10. Freeman landed her first head coaching job at Arab High School in 2019. During her first year at Arab she led the varsity team to a 31-15 record placing first in the Good Hope Tournament and were Runners up in the County Tournament. During her second year, she led the varsity team to a 19-10 season record and 3-0 in area play to host the Area tournament.

Coach Freeman is the mother of two wonderful little boys Braden and Dallas Moran and is the daughter of James and Marlo Freeman. Freeman has a brother Design Freeman and a sister Jaylyn Freeman. "I am ecstatic to be able to start the volleyball program at Calhoun and be able to be a positive influence on these young women, just as the way my coaches did for me. The values of a program I would like to build are hard work, servant leadership qualities, as well as high character individuals. The overall culture of my program will promote a positive team environment that celebrates diversity. My goal is to help each athlete reach their full academic and athletic ability in a safe environment, while building relationships and making a lasting impact on the athletes, school, and community. I hope to instill in each of my players to have a sense of pride that comes along with being part of the Calhoun volleyball program."
