CALHOUN
COMMUNITY COLLEGE

The U.S. Department of Education's Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance.

Title IX states that: No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Welcome to Calhoun! We are delighted that you are considering us for the next step in your education. We are eager to support your ambition and motivation to succeed not only at Calhoun but in the years ahead as you pursue your dreams and goals. The faculty and staff are committed to student success and completion.

In this viewbook, you'll find information on programs of study, tuition and cost comparisons, financial aid options, 5 Simple Steps to Admission, and much more!

- DR. PATRICIA A. WILSON
Vice President of Student Services
Calhoun Community College

Did you know that more than half of all college freshmen and sophomores in Alabama are enrolled in one of Alabama's public two-year colleges?

Coursework taken at Calhoun transfers to a four-year program, allowing the student to complete a bachelor's degree in the same amount of time it would have taken if they had gone to the four-year institution right out of high school. The seamless transition process ensures students do not waste any time or money. Most students that earn an AS degree go on to pursue a bachelor's degree.

Students who attend Calhoun for their first two years and plan to earn a bachelor's degree can transfer from our institution to any of Alabama's public, and most private, universities. "With the help of the Alabama Transfers guide, Calhoun makes it easy to smoothly transfer to your college of choice.

Associate of Science Degree, General Studies AS

a WORD from OUR STUDENTS

*"So many people embraced me and helped me throughout the journey. At Calhoun I found out **I CAN**. Establishing a **foundation** for education helped **propel** me as I moved forward in my academic career. It's a **great** place to start!"*

- DEWIGHT COWLEY, MD
Huntsville, Alabama
Calhoun Graduate

*"I chose to apply to the Co-Op program because I wanted to take the opportunity to get **on the job experience** and see what kind of work my degree can be applied to."*

- BRIANNA LEFOY
Madison, Alabama
Co-Op Graduate with ERC

*"From the faculty and instructors to the programs themselves, Calhoun has a lot to offer! The staff here **TRULY cares** and wants to see each and every student succeed and be funded in a career **doing what they love!** I was given the opportunity to gain work experience at Redstone Arsenal through the Co-Op program. Now, I am not only building my resume by working in my desired field, but I am **guaranteed gainful employment** in a place full of opportunities the moment I complete my degrees!"*

-DELROY TULLOCH
Decatur, Alabama
Currently Enrolled in Calhoun Co-Op with ERC

- 1. Complete the FREE Application for Federal Student Aid (FAFSA)**
 - Submit your FAFSA for Pell Grants, Student Loans, Work Study, and other aid online at studentaid.gov
 - Calhoun's School Code is 001013
 - Work Study provides students an opportunity to work while going to school but must be selected on your FAFSA.
- 2. Apply for FREE WIOA Grant Funds**
 - WIOA (Workforce Innovation and Opportunity Act) provides students with funding for careers in high demand.
 - Contact your local career center to apply and check eligibility – Madison/Limestone Counties 256-851-0537 OR Morgan/Lawrence Counties, and Decatur 256-355-0142 x 85304 or 256-355-0142 x 85308.
 - Visit wioa-alabama.org
- 3. Enroll in a Payment Plan Program at calhoun.edu/payment**
- 4. Submit Scholarship Application**
 - Calhoun's Scholarship Application Deadline is February 1
 - To apply and review the list of available scholarships visit calhoun.edu/scholarships
 - ACT and GPA Requirements:
 - Foundation Scholarships - NO certain ACT or GPA are required for many. Visit calhoun.edu/student-services/financial-aid/calhoun-scholarships/scholarships-list/
 - Academic Scholarships – 3.0 GPA and ACT of 20 or higher
- 5. Apply to the Presidential Honors Program**
 - Program offers smaller, accelerated classes with a focus on leadership enhancement: calhoun.edu/honors
 - Application Deadline February 1
 - To apply and list of available scholarships visit calhoun.edu/scholarships
 - Must have a 3.5 GPA and ACT of 24 or higher
 - Full tuition and fees
- 6. Apply to become a Warhawks Student Ambassador**
 - Become an official ambassador at Calhoun for special events and receptions: calhoun.edu/warhawks
 - Must have a 3.0 GPA and be a full-time student.
- 7. Apply for internships or co-op positions to EARN while you LEARN**
 - Discover more at calhoun.edu/careers

SIMPLE STEPS

ADMISSIONS CHECKLIST

1. *Apply for Admission.*
2. *Discover Ways to Pay for College and Complete your FAFSA - [Fafsa.gov](https://fafsa.gov).*
3. *Submit ACT/SAT scores and transcripts OR Take our Placement Exam.*
4. *Meet with an Academic Advisor.*
5. *Register for Classes.*

Follow our 5 Simple Steps online at
[***calhoun.edu/5simplesteps***](https://calhoun.edu/5simplesteps)

#15TOFINISH

15 TO FINISH

When you take at least 15 credits a semester, or 30 credits per year:*

- *You will graduate ON TIME in 2 years with an associate's degree!*
- *You will get out into the workforce QUICKER*
- *You save money and incur less college loan debt*
- *You are more likely to get good grades*

**Some ACCS degrees are longer than 60 hours*

ONLINE CLASSES

With nearly 5.8 million Americans currently enrolled in fully online degree programs, online education has clearly become one of the most popular higher education alternatives.

Calhoun offers over 150 online courses allowing students to complete the following degrees and certificates online:

Associate of Science in General Studies with these Concentrations:

- Business
- Computer Science
- Criminal Justice
- Elementary Education
- English
- General Education
- History
- Mathematics
- Pre-Nursing
- Psychology
- Social Work
- Sociology

Associate of Applied Science:

- Architectural Design Technology
- Engineering Design Technology
- Office Management (With Medical Billing Career Path)
- Child Development*
- Paralegal
- Programming
- Accounting Technology

**Students are required to participate in face-to-face practical experiences for CHD 215.*

Short Term Certificates:

- Accounting Essentials
- Architectural Design Technology
- Auxiliary Teacher
- Business
- Child Development
- Computer Information Systems
- Computer Science Essentials
- Design Drafting
- Engineering Design Technology
- Medical Billing Essentials
- Medical Billing Specialist
- Programming Essentials
- Software Applications
- Tax Professional

WHY TAKE AN ONLINE CLASS?

- Convenience of working on your own schedule. It's learning while living your life.
- Build your own schedule with accessible courses! Many students are more engaged because they can log on when they are ready.
- Save gas and time.
- More comfortable learning environment.
- A wide array of online classes.

DUAL ENROLLMENT

*Are you interested in taking college classes while in high school?
Dual Enrollment might be the option for you!
Summer classes can be taken!*

WHO CAN PARTICIPATE?

- 10th, 11th and 12th grade students with approval from their high school or homeschool.

WHAT ARE THE QUALIFICATIONS?

- Student must have a 2.5 GPA or higher with appropriate ACT/SAT or placement scores.
- Student must meet all course requirements.

HOW DO I APPLY?

- Speak with your counselor or home school administrator to ensure you are eligible to participate.
- Visit calhoun.edu/5simplesteps to apply today!

- **CDL/Truck Driver Training**
- **Cyber Certifications**
- **Healthcare Training**
- **Industrial Training**
- **Leadership Training**

Several of our programs offer Workforce Innovation and Opportunity Act (WIOA) grants, which are available to qualifying students through the Alabama Career Center. For more information, contact your local career center.

calhoun.edu/workforce-solutions

GAINING EXPERIENCE THROUGH WORK-BASED LEARNING

Are you seeking part-time work in your field of study?

There are several ways Career Services can help through work-based learning.

COOPERATIVE LEARNING:

Calhoun's co-op program offers students the opportunity to work on a part-time basis (a minimum of 20 hours per week) in paid positions directly related to their academic majors while attending school on a full-time or part-time basis. Review the qualifications and complete the application!

www.calhoun.edu/coop

INTERNSHIPS:

Similar to co-op, interns work in a position directly related to their field of study for a limited time period. Internships tend to be unpaid, but the experience is invaluable and helps to build a resumé.

APPRENTICESHIPS:

Apprenticeships are industry-driven and initiated by an employer who is seeking additional skills for the current or future workforce. A specific curriculum is followed so that work responsibilities mimic classroom instruction.

Work-based learning also happens in the classroom. Industry tours, guest speakers, networking events, and service learning are just a few examples of other ways to gain real-world exposure while still in college.

INTERESTED IN A CO-OP POSITION?

- ✓ Be mindful of your GPA
- ✓ Review the co-op guidelines for your major
- ✓ Get your resumé ready
- ✓ Let your advisor know you would like to qualify for the co-op program

CUTTING-EDGE CURRICULUM. PAID WORK EXPERIENCE.

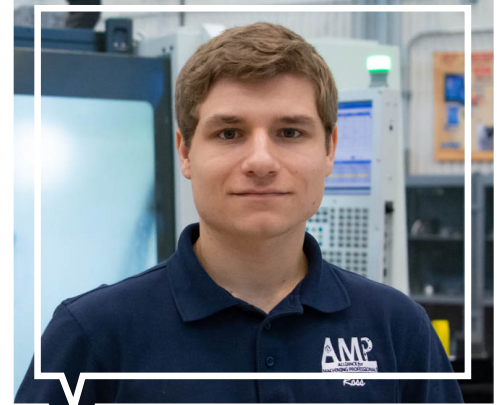

"Accept the challenge and join the program. I had so many doubts before applying, not thinking I would be smart enough. Remember, everyone starts somewhere. A blank canvas is easier to paint on."

Marcus SANKEY
FAME Graduate,
Mazda Toyota Employee

"I applied to the EPIC program to get real world experience while getting my degree. The most beneficial part of being an EPIC student is getting extra training time at work."

Rebecca Malone
EPIC Graduate,
IVXP Employee

"The AMP program has prepared me for a career in advanced manufacturing by helping me get used to the environment slowly by introducing it to me piece by piece."

Ross Treloar
AMP Graduate,
M&J Precision Employee

The Federation for Advanced Manufacturing Education (FAME) program allows students to earn a wage while getting their AAS Advanced Manufacturing Technician degree, and gain priceless work experience with a global manufacturing leader. Over two years, students can earn as much as \$33,500, which with planning can cover all of a student's education expenses. There are also potential grants and financial aid.

The Excellence in Process Industrial Controls (EPIC) program at Calhoun Community College combines an Associate of Applied Science degree in Process Technology with two years of paid, related co-op work experience with a sponsor company. Students accepted in this competitive program typically attend class at Calhoun Community College two days per week and work on-site with a local employer three days per week.

There is a well-defined criteria for acceptance into the AMP Program. Students attend class two days a week for an average of 8 hours per day, and get paid to work for one of our industry partners three days per week. Prior to selection into the program, students sign a commitment towards consistent attendance, proper attire, and professional behavior. Soft skills, such as Lean manufacturing processes, and problem solving are integrated into the AMP Program.

THE REGION'S PREMIER DESTINATION FOR ART EDUCATION

ALABAMA CENTER FOR THE
A R T S

Create Your Career.

Founded in 2012, the Alabama Center for the Arts is a partnership between **Calhoun Community College** and **Athens State University**, with collaboration from the City of Decatur and Morgan County. The campus, located in beautiful downtown Decatur, consists of two state-of-the-art buildings, where students can take several types of courses in art, theatre, graphic design, visual communications, and music. College courses taught here can lead to Associate of Science and Bachelor of Arts degrees.

The 43,000 square foot Visual Arts Center houses painting, drawing, and sculpture studios, graphic design labs, as well as state-of-the-art gallery spaces.

At 44,000 square feet, the Performing Arts Center features a 150-seat recital hall with a digital projector for films and lectures, a 300-seat black box theatre, a recording studio with two booths for sound engineering, sound-proof rehearsal rooms, a space for set construction, a music lab, computer lab, dressing rooms and smart classrooms.

SUPPORT SERVICES

RECRUITING/OUTREACH

Our team is committed to making your educational goals a reality. We are here to help through each step of the admissions process from applying to the college, finding ways to pay for college, and ultimately registering for classes. Whatever the need, we are here to help you – simply contact us!

256-260-2490 | info@calhoun.edu | calhoun.edu/student-services

ADMISSIONS

The Office of Admissions is the first line of contact to begin your success story with Calhoun. They will assist you in applying to the college and will process all documentation needed for acceptance. Admissions will also assist you when you are ready to graduate or transfer to another college.

256-306-2593 | admissions@calhoun.edu | calhoun.edu/admissions

STUDENT DISABILITY SERVICES/ADA

Any student who desires information about or assistance with needed services for a disability such as classroom accommodations, physical access to facilities or programs, adaptive equipment, or other off- or on-campus resources should contact the Office of Disability Services for additional information.

256-306-2630 | wendy.morgan@calhoun.edu | calhoun.edu/ADA

ADVISING

Our top-notch academic advisors are here to assist current and prospective students with their schedule, placement testing, MAP plan, and course specific programs. Advisors also ensure that each student is prepared and understands the policies of the college.

256-260-2630 | advising@calhoun.edu | calhoun.edu/advising

CAREER SERVICES

The Career Services Center provides career planning, resume prep, interview skills, cooperative opportunities, job fairs, and job searching for all interested community residents.

256-306-2993 | careerservices@calhoun.edu | calhoun.edu/careers

FINANCIAL AID

The Financial Aid office assists students with completing the FAFSA for Pell grants and student loans, work-study opportunities, financial literacy, and financial counseling. They will also assist with your VA education benefits.

256-306-2628 | finaid@calhoun.edu | calhoun.edu/financialaid

STAR INSTITUTE/TUTORING

STAR provides FREE one-on-one tutoring in all subject areas, as well as success seminars throughout each semester. Every effort is made to provide students with programs and services that can assist them in obtaining and reaching their academic goals.

256-260-2445 | valerie.cox@calhoun.edu | calhoun.edu/tutoring

STUDENT ADVOCATE

The Student Advocate office helps students solve college-related problems by providing individual attention to each issue. If a student or potential student has tried without success to resolve a problem on campus, it's time to contact the Student Advocate office.

256-306-2870 | nicole.ricketts@calhoun.edu | calhoun.edu/advocate

VA SERVICES

Financial Aid offers assistance with VA education benefits. We also offer a social gathering on Huntsville and Decatur campuses for veterans only in our VA Lounge. There is computer access, coffee, and a space for Calhoun's military community to gather for camaraderie.

256-306-2628 | stephanie.works@calhoun.edu | lena.bray@calhoun.edu | calhoun.edu/financialaid

TESTING CENTER

At the Calhoun Community College Testing Centers, we strive to meet the needs of each test-taker in a pleasant, quiet, and comfortable setting. We have locations on both campuses and can accommodate a variety of tests and exams in a proctored environment.

DEC: 256-306-2522 HSV: 256-890-4792 | dennis.smith@calhoun.edu | calhoun.edu/testing-center

CAMPUS LIFE

Your Calhoun experience is not limited to inside the classroom. Calhoun offers a wide array of clubs and organizations that are suitable for all walks of life and add fun to your college experience. Some of the many clubs and organizations include, but are not limited to:

- Gathering of Gamer's Club
- Phi Theta Kappa Honor Society
- Student Government Association
- Warhawks Student Ambassadors
- NASA Rover Team
- Black Students' Alliance
- Broadcasting/Photography Club
- Christians at Calhoun
- Drama Club
- International Club
- SkillsUSA

For a complete listing of our clubs and organizations, visit calhoun.edu/clubs.

CALHOUN WARHAWKS ATHLETICS

Calhoun is proud to be the home of intercollegiate baseball, softball, golf, bass fishing, cross country, volleyball, e-sports, and both men's and women's basketball programs that compete at the highest level of community college athletics. Success, respect for authority, physical growth, mental health, leadership, quick thinking, sacrifice, and self-discipline only scratch the surface of the areas in which athletics contribute. Come out for a beautiful day at the game!
