Recessional March

The Ceremonial Mace, representing the authority of the President of the College and the State Board of Education, is carried at the head of the graduation procession. Since the Middle Ages, maces have been regarded as symbols of authority, and their use in academic ceremonies dates back to the founding of institutions of higher learning many centuries ago.

Mr. Glen Young, former cabinetmaking instructor, and his student, Mr. James O’Neal, created the ceremonial mace for Calhoun Community College in 1996. The shaft and head of the mace were turned on a lathe and are solid walnut. A local wood carver, Mr. Robert Lokey, carved the symbols on the head of the mace. Mr. Brad Dean, one of Calhoun’s woodworkers, designed and constructed the stand for the mace. Traditionally, the instructor who has the most seniority with Calhoun Community College carries the mace and leads the faculty procession.

This year’s mace bearer is **Dr. Nancy Keenum**, Athletic Director & Physical Education Instructor.
