Proposals delivered by Federal Express, Airborne Express, and all other delivery services must be labeled with “RFP enclosed” along with the opening date and RFP number on the outside of the delivery service’s envelope. Proposals must be received prior to RFP opening date and time. Late proposals will not be considered. If you have questions regarding this RFP request, contact Vanessa Looney at 256-306-2686.

3. All signatures must be notarized.

4. Only written modifications to proposals will be accepted.

5. Proposal prices are to remain in effect for one year past award date.

7. Vendors may submit proposals on any one or all items listed. The College reserves the right to accept proposals in any combination, or reject any proposal or part thereof and to waive any technicality in the RFP which in its sole discretion is in the best interest of the College. The College expressly reserves the right to reject all proposals if, in its sole discretion, the College believes the rejection of all proposals would be in the best interests of the College. Awards may be issued to multiple vendors.

8. All proposals are to include delivery dates of merchandise. All shipping and handling charges shall be the responsibility of the successful vendor, unless otherwise expressly stated in the RFP quote. All prices are to be quoted to include delivery to the location(s) directed by the College. The successful vendor must assume all liability/responsibility for damage in transit.

If substitute brands are offered, specifications for those brands must be included in the proposal package. Failure to supply these specifications may result in the rejection of the proposal. When the vendor does not state brand name or catalog number, it is understood the offer is exactly as specified.

11. Unless otherwise indicated, items furnished under the request must be new. Guarantees/warranties are to be furnished by the vendors as provided by the manufacturer. The responsibility of determining the acceptance of any products offered rests solely with the College.

12. Quantities listed on the specification sheet are believed to be correct; however, the College reserves the right to alter or vary the quantities for a period of sixty days following the RFP opening.

13. The contract may be extended for a period of two additional years if no changes are made in the specifications, and/or pricing by the vendor. College and the vendor must agree in writing for the contract extension.

BY SUBMITTING THIS BID, THE BIDDER IS HEREBY CERTIFYING THAT THEY ARE IN FULL COMPLIANCE WITH ACT NO. 2006-557, they are not barred from bidding or entering into a contract pursuant to 41-4-116, and acknowledge that the awarding authority may declare the contract void if the certification is false.

19. All items are to be free from defects in material and workmanship. If items are found to be defective or damaged or are non-conforming to the RFP specifications, or there is unsatisfactory installation, items shall be corrected to the College's satisfaction by the successful vendor at no additional cost to the College. If a company is awarded a proposal and the company cannot honor the terms of the RFP, the company may be removed from the College's preferred vendor list.

20. Payment shall be contingent upon the College’s inspection of and satisfaction with completed work or supplied materials.

21. As an entity of the State of Alabama, the parties recognize and agree that College cannot and will not agree to indemnify any party to an agreement resulting from this RFP.

   (a) In the letting of public contracts in which any state, county, or municipal funds are utilized, except those contracts funded in whole or in part with funds received from a federal agency, preference shall be given to resident contractors, and a nonresident bidder domiciled in a state having laws granting preference to local contractors shall be awarded Alabama public contracts only on the same basis as the nonresident bidder’s state awards contract to Alabama contractors bidding under similar circumstances; and resident contractors in Alabama, as defined in Section 39-2-12, be they corporate, individuals, or partnerships, are to be granted preference over nonresidents in awarding of contracts in the same manner and to the same extent as provided by the laws of the state of domicile of the nonresident.
   (b) Nonresident bidders must accompany any written bid documents with a written opinion of an attorney at law licensed to practice law in such nonresident bidders’ state of domicile, as to the preferences, if any or none, granted by the law of that state to its own business entities whose principal places of business are in that state in the letting of any or all public contracts.
   (c) A summary of this law shall be made a part of the advertised specifications of all projects affected by this law. (Acts 1984, No. 84-228, p. 348; Act 2001-637, §1.)

Alabama laws require that, as a condition for the award of a contract by a college to a business entity or employer with one or more employees working in Alabama, the business entity or employer must provide documentation of enrollment in the E-Verify program. During the performance of the contract, the business entity or employer shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. If you do not believe these requirements are applicable to your entity, include an explanation justifying such exemption. An entity can obtain the E-Verify Memorandum of Understanding upon completion in the E-Verify enrollment process located at the federal web site www.uscis.gov/everify. It is further agreed that if any provision of this Agreement shall contravene any statute or Constitutional provision, either now in effect or which may be enacted during the term of this Agreement, then the conflicting provision of the Agreement shall be deemed null and void.

b. In accordance with the recommendations of the Governor and the Attorney General of the State of Alabama, the parties shall consider settling all disputes arising from or related to this agreement by using appropriate forms of non-binding alternative dispute resolution.

c. The vendor acknowledges, and agrees that its sole and exclusive remedy for any monetary claim that may arise from or relate to this Agreement is to file a claim with the Board of Adjustment of the State of Alabama. Any claim for equitable relief shall be brought exclusively in the appropriate state or federal court situated in and/or covering Limestone County, Alabama.

d. This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama without giving effect to any choice or conflict-of-laws, provisions or rules (whether of the State of Alabama or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of Alabama.

e. These terms and conditions shall supersede any contrary language in any agreement entered into by the parties. All terms shall be reduced to writing and will not rely on any oral terms, nor shall any oral terms or agreement be incorporated herein.

f. By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.”

g. In compliance with Act 2016-312, the contractor hereby certifies that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

h. This agreement constitutes the sole and entire agreement of the parties of this agreement with respect to the subject matter contained herein, and supersedes all
prior and contemporaneous understandings, negotiations, and agreements, both oral and written, with respect to such subject matter.

i. This agreement may be executed in counterparts, each of which shall be deemed and original, but all of which together shall be deemed to be the same agreement.

31. Equipment purchases using Federal grant funds:
When purchasing equipment using Federal grant funds, the College will give preference to vendors of diversity and minority owned businesses. Please note on the Collusion/Fraud statement whether this applies to your company.

Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion Lower Tier Covered Transactions

Non-Federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180. The regulations in 2 CFR part 180 restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

1) The prospective recipient of Federal assistance funds certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2) Where the prospective recipient of Federal assistance funds is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

3) By signing and submitting this proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.

4) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, may pursue available remedies, including suspension and/or debarment.

5) The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

6) The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded”, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules and implementing Executive Orders 12549 and 12689. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

7) The prospective recipient of Federal assistance funds agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, or voluntarily excluded from participation in this covered transaction, unless authorized by the Federal awarding agency.

8) The prospective recipient of Federal assistance funds further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions”, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

9) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required, to check SAM.gov Exclusions.

10) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

11) Except for transactions authorized under paragraph 7 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the funding agency may pursue available remedies, including suspension and/or debarment.
