22	253-254	5	27	275-279	10	33 or >	300 or >	15

Advanced Placement (AP) and CLEP credit

Advanced Placement courses and CLEP credit must first be accepted in transfer by the CCC Office of Admissions and Records. DA application points for AP and CLEP credit are assigned by the Admissions Committee by averaging the letter grades obtained in other completed general education courses.

Course Transferability

The program has a written policy in regards to the transfer of DAT course credit from other institutions. The program director should be contacted for information.
